

Mounting Instructions

The Preferred Way to Present Art for Hanging

Framing with hook and eye attachments, with wire.

Attaching hanger to matted pieces without a frame.
Make sure to glue cardboard flange to mat board with strong glue.

(Do not glue to acetate)

Flange should be at least 3 inches wide.
Score so flap will bend up to allow wire to be threaded.

To mount pieces of paper art to cardboard mat board. Glue art to mat board with holes punched at the top. Thread wire through the holes, not yarn.
