WELCOME TO THE FESTIVAL!

The Westerville Area Chamber is proud to welcome you to one of our signature summer events. Whether you're here for the music, the art, the food, or just to experience the energy of this community—you're in the right place.

What makes this festival part of the fiber of Westerville is its deep connection to our roots. It's the tradition. It's the picturesque setting. It's the perfect soundtrack as you explore incredible juried art. It's a reflection of who we are—and what we continue to build together.

This event doesn't happen by accident. It's powered by people—our Chamber businesses, community partners, the City, Schools, Library, Arts Council, and more than 140 volunteers who show up and make it happen. That's the Westerville difference.

And the impact is real. More than half of our attendees travel from outside Westerville, generating over \$950,000 in local economic activity during festival weekend. That's momentum. That's visibility. That's community at work.

This year is especially meaningful for me. It's my first Music & Arts Festival serving as your Chamber President, after previously having the honor of leading this event as Festival Director for four years. To be back in this role—in a community I care deeply about—makes this weekend that much more special.

Enjoy the festival. Support the artists, vendors, and businesses. Take it all in—and make a few memories along the way.

Mark your calendars now for July 10–11, 2027. We can't wait to welcome you back.

Gratefully,

YOUR FESTIVAL HOST

The Westerville Area Chamber has more than 800 members representing various business and community interests. For more than 55 years, Chamber members have joined together to enhance the community's quality of life and the economic, civic and cultural growth of the Westerville Area.

Mission: To enhance the business climate and quality of life in our community.
